The above financial results of the Company for the quarter and year ended March 31,2020 has been reviewed by the Audit committe and approved ny the Board of Directors at their meeting held on 31st July, 2020.

The Covid-19 pandemic has resulted in a significant decrease in the economic activities across the country, on account of lockdown that started on 25 March 2020. The Government has ordered temporarily closure of all non-essential businesses, imposed restrictions on movement of goods/material, travel etc. Management has evaluated COVID impact on the business which is extremely severe. Company's main business is manufacturing operations which were facing losses due to high costs and falling exports out of India. With the lockdown and migration of

Given the high incidence of covid, fear of lockdown of plant/city, lack of workers who have left town and no operations remain suspended. Formal wear market has taken a big hit with work with home change. Thus company has to explore other avenues to seek revenue and moving its manufacturing to casuals etc and has taken steps to bring in a management team to implement the same

3 Figures for the prior period have been regrouped and/or rearranges wherever considered necessary.
